

**WHAT WORKS CLEARINGHOUSE
REGISTRY OF OUTCOME EVALUATORS
LETTER OF COMMITMENT**

(Date)

To: What Works Clearinghouse:

As part of (my/our) registration for listing in the Registry of Outcome Evaluators of the What Works Clearinghouse (WWC), (I/we) understand that the purpose of the registry is to provide a public listing to assist people in identifying those evaluators who have experience in conducting causal inference studies of the effectiveness of educational interventions.

(I/We) commit to using the highest standards of scientific evidence, as defined by the WWC, for answering questions on the effectiveness of educational interventions. Further, (I/we) agree to make clear to sponsors and clients the degree to which the work (I/we) plan or conduct on their behalf will overcome or limit the threats to construct, internal, external and statistical validity and the resulting implications for making appropriate causal claims.

I hereby submit (my/our) request for registration, and give you permission to use the information in the Registry of Outcome Evaluators and related WWC products. (I/We) further attest that the information provided herein is complete and accurate as of this date.

Sincerely,
